

Connecting with Workforce Talent: Sharing Your Story with Students

Lessons from Luisa

Hi. It's Luisa, I'm back!

My classmates and I are interested in a rewarding career but have not decided which career path to choose.

Can you share your story with us?

What was your career path? How did you get to where you are now?

What challenges have you overcome to get where you are?

What is a typical day like at work?

What did you want to be when you were in high school, and is that what you do now?

What is something you've accomplished at your job?

What impact does your job have on our society, and how does your organization give back to the community?

What do you like and dislike about your job?
