

Building Equitable Career Connected Learning Programs

through authentic engagement with community

Lessons from Luisa

"Nothing for us,
without us, is
about us"*

1

Are your relationships with marginalized communities authentic or transactional?

Trust

2

How could student and family voice strengthen your program?

Respect

3

What barriers to equitable participation in internships or employment exist at your company?

Accountability

Employers,
Reach out to us
to discuss best
practices and
support
